C-21	Cats Paw Prints	Cat-opoly Board Game	This game has all the excitement of the traditional property trading game with some cat-astrophic twists. Buy your favorite cats, collect litter boxes and trade them in for fish bones. The board is made up of the world's popular and exotic cats. The back of each deed contains fun cat facts like did you know that cat's have 3 eyelids? Or that the ragdoll got its name from the fact it goes limp when you pick it up? Grab your token and advance to SCAT! Whatever happens, it's purrrfectly good fun. Monopoly Here And Now is a modernized version of the classic Monopoly. All costs have been multiplied by \$10,000 and players start with \$15, 000. Properties have been changed to famous locations around the USA, such as Times Square, the White House, and the Gateway Arch. New tokens include cowboy hat, a baseball mitt and ball, Statue of Liberty, and a cable car. Utilities have been changed to Internet provider and Cell Phone Service Provider.	21.00
C-43	Cats Paw Prints	Monopoly Here And Now	Monopoly Here And Now is a modernized version of the classic Monopoly. All costs have been multiplied by \$10,000 and players start with \$15, 000. Properties have been changed to famous locations around the USA, such as Times Square, the White House, and the Gateway Arch. C-11	Cats Paw Prints	Let It Fly Game	Let It Fly is the perfect harmony of suspense and silliness in a 2-person game of splat-tastic fun. Players will love scaring their friends and family as the fly splats on the windshield in front of their face. This wacky and suspenseful game allows families and friends to laugh and enjoy playing a game that challenges everyone to face their fears and block the fly. For ages 6 and up.	23.00
F-13	Cats Paw Prints	Don't Lose Your Cool Game	The Hasbro Don't Lose Your Cool Game can help make parties more fun and engaging. This game tests one's ability to stay calm under pressure. Players wear the Cool-O-Meter, which measures their heart rate. The opposing team rolls the dice to determine how they'll try to get the player to get flustered. A change in heart rate affects the meter. When the meter gets high enough, the lights will turn to red, the alarm will sound and the opponent wins for making a player lose their composure. Get ready for lots of laughs with this hilarious party game for ages 12 years and up.	15.00
